McLEAN left City for the last time (officially) on May 27, she took off for Alaska. The Albany Employees association held a Thursday night with a bon voyage party.

ABOUT THAT, it's anyone's guess who will become Clerk now. Bette Rhodes, Shush Brockway will be acting until the appointment is made.

WHAT MAY have been Albany's largest funeral was the one for Mrs. H. C. Weir of 1047 Alta May 24 at the Veterans' memorial building. She was a member of Fellowship of Christ Service and 400 of her friends from that religion came to many parts of California for services. Ellis Olson mortuary representatives tell us that at 300 attended services for late husband at the same time a few years ago.

AGNES DUNNE, an Albany resident 21 years and 19-year member of the Real Estate business, has gone back home to where her daughter, Agnes, lives in Warsaw and sisters in Elkhart. "I haven't seen my bridges," Agnes said she came in to say good-bye. "I may end up spending part each year in Indiana, and part in Ohio."

ANY DOG bites are being reported in Albany. It might be a good thing to warn your children away from dogs.

GEORGE HEINS have a new child with the birth of a son on May 15 to Mr. and Mrs. Richard Hein of Placencia. He is their fourth child, joins a son, 10; Steven, seven, and a daughter, five.

KEVIN KECK and a group of students from the Davis campus of the University of California made the papers and TV on Sunday morning 15 miles from Albany. (Continued on Page 3)

Carelessness by the homeowner and the growing number of portable valuables in the home are the two reasons given by Liberty Mutual Insurance Companies for the rising number of burglaries reported in this country.

"The Village" (Where What and Who)

First of a series

By Beverly Wilson

(Because many Albany residents are unfamiliar with life in or residents of University Village, we are presenting a three-part article by Mrs. Wilson, who loves both the Village and Albany, Ed.)

"The Village," said the man. "Where, what, and who is The Village?"

I stood very erect with a very proud gleam on my face.

"The Village, sir, is the beautiful low cost housing that the University of California provides for 920 fortunate married students and their families. It is 58 acres in area, lying between Gilman, Buchanan, San Pablo, and the Southern Pacific Railroad tracks in Albany. In 1956, the University, with the support of the city of Albany, purchased 420 apartments from the Federal Housing Authority. They range in size from 404 sq. ft. for a one bedroom to 603 sq. ft. for a three bedroom apartment. These units are extremely comfortable and are very easy to adapt to the mode of living the individual families desire. With a greater and greater demand for student low-cost housing, the University added 500 more modern housing units in 1962. They have a little more room: for example, a one-bedroom apartment contains 453 sq. ft. and the two-bedroom apartment contains 637 sq. ft. They have the advantage of closed-in court yards, keeping the children away from the dangerous streets and parking lots.

In addition, the University and the city of Albany are generous in providing the Village residents with the use of a recreation center, a tennis court, ballfields, picnic areas, playgrounds and a laundromat. I mustn't exclude the Central Office and maintenance staff, whose director is William J. Dowling, an extraordinary man, who helps make Village life a distinct pleasure.

You ask, who lives in "The Village"? Some of your future leading citizens, such as scientists, engineers, professors, criminologists, public health physicians and directors, statesmen, lawyers, and judges. The status of students varies from undergrads through graduates to assistant professors and post-doctoral fellows.

The Village families range in size from couples to families with six children; this accounts for the approximately 1,000 children, 325 of whom go to the Albany schools. For this reason Albany, without success, has been trying to have a much-needed tax relief bill passed by the California Legislature.

There are over 65 countries represented in this true United Nations; children as well as adults learn to live in new and different surroundings as well as to get along with all the different nationalities. Very few communities can make that statement.

Graduate students make up a large percentage of the Village population. Because of their growing families and their determination to obtain their degree and proceed with their careers, the Village has approximately 400 families leaving and 400 new families entering it each year.

Contrary to popular belief, the young Village woman with a family does not sit around over coffee, discussing her children and household duties. Instead, she contributes something to her communities: Albany, Berkeley, the University, and the Village. As most of their husbands must devote all their time and energy to their studies, their wives frequently represent their families in the community activities which are usually joint efforts in suburban communities.

(To Be Continued)

Christian Community Week Scheduled

The third annual North Berkeley Christian Community Week program will be held the week of Aug. 12-16.

(A two week session will be held at Westminster Presbyterian in June and a one week session at St. Joseph's Roman Catholic in August.)

Sea View Spaders Picnic June 5

The picnic area of Casa Cerrito clubhouse on Portola Drive in El Cerrito will be the setting for a potluck picnic lunch to be held by Sea View Spaders Garden Club of El Cerrito. The June 5 picnic will take place at 11 a.m. and end at approximately 1 p.m.

Clubhouse Chairman Mrs. Arthur Sanford will be in charge and will be assisted by Mrs. Harold Johnson, Mrs. Thomas Wheeler and Mrs. Francis Silver. Members are asked to bring their ideas for the December Holiday Decoration Show so that a September workshop can be held for the purpose of beginning work on the Christmas decorations.

Upon the conclusion of the picnic members are invited to tour the recently-remodeled Huber Park at Terrace and Sea View Drives in El Cerrito. The park was once the work project of the club when various members helped plant and maintain the many plants and trees the club had provided for the park.

The key to preventing home burglaries: "Inconvenience," says Liberty Mutual Insurance Companies. "It simply must be inconvenient and even difficult for the burglar to enter and leave the home undetected."

PTAs Sponsor Children's Movies Again

The Albany PTA Committee for Children's Movies is now completing plans for an afternoon series of junior matinees for Albany school children ages 6-12.

The series will be held at the Little Theatre at Albany High School starting Wednesday June 26 through August 28. Doors will open at 12:45 and each matinee will be over around 3 p.m. The exact time will be posted each week and it is asked that children be picked up promptly.

Information flyers will be sent home with the school children early in June. Tickets may be secured from noon supervisors for this benefit series. The committee asks that parents cooperate by observing the rules and regulations as stated on the benefit tickets.

Due to the support of the community for the past two years, the PTA units are able to offer high quality films as before. It is emphasized that the matinees are geared to hold the interest of the 6-to-12 age group; therefore, preschoolers will only be admitted with adults.

This community project is being sponsored by the Albany PTA units in cooperation with the Albany Unified School District.

Birthday Party This Noon

The women of the North Congregational Church of Berkeley are inviting their friends and neighbors to a Birthday Party today at noon. It will be in the Fellowship Center, 2138 Cedar St.

Tables will be appropriately decorated for each month of the year with a Birthday cake for each table.

Salad bar luncheon will be served by Mrs. L. A. Martin, Mrs. Edna Larrimore, Mrs. Olive Clifton, Mrs. Lung Chung Wu, and Mrs. John L. Pastorino, Mrs. Ralph Park, Mrs. John Gavey, Mrs. Art Andrews.

Interesting displays will be shown after lunch: paintings, ceramics, Oriental and other foreign artifacts, china ware, antiques to name a few. Ladies decorating tables and bringing displays are Mrs. Huggbert Luce, Mrs. Ralph Hoyt, Mrs. James Moore, Mrs. Burt Hutson, Mrs. Emma Berning, Mrs. Horace Harvey, Mrs. Ross Cummings, Mrs. Olive Clifton, Mrs. William Gtrich, Mrs. J. Newton Holder, Mrs. LaRue Winsor, Mrs. Robert Evans, Mrs. A. L. Elmore, Mrs. Andrew Walker, Mrs. Alma Farrar, Mrs. Laura White, Mrs. Edward Caine and Mrs. Albert Backman, Mrs. Paul Golderhead.

Robert G. Dennis, retired principal of Albany Adult school, is post 292's Boys' State chairman.

The record indicates, according to Liberty Mutual Insurance Companies, that most home burglaries are performed by amateurs—and usually in daytime when no one is at home.

ELDON WOLFS RECEIVE TOP SCOUTING HONORS

Five Albany residents were among the honored recipients of special awards during the May 15, annual Recognition Dinner ceremonies of Camp Hermes District, Mount Diablo Council Boy Scouts of America.

Dario Meniketti, 951 Kains Ave., was recognized as Scouter of the year for Albany Troop 12, sponsored by American Legion Post 292. The honor is given to those who have given outstanding service to the scout troop.

Mr. and Mrs. Arthur Fox, Albany, were acclaimed Scouters of the year for Cub Pack 107, sponsored by Cornell PTA, for their outstanding service to the Pack.

High light of the evening's festivities was the presentation of two Distinguished Service Awards: the first a joint award to Mr. and Mrs. Eldon A. Wolf, 1006 Peralta Ave., second, to Kenneth N. Galloway of El Cerrito.

The joint award to the Wolfs was especially unique in that it is only the fifth time in the history of this award that it has been given to the couple. The last such presentation was in 1963.

In presenting the award to the Wolfs, Peter Abernathy cited a long list of their accomplishments and their dedication to youth improvement in Berkeley and Albany.

Within Scouting, Eldon has been Scoutmaster of Troop 12 for the past five years, recently turning over leadership to Francis Rivard. Eldon was awarded his Scoutmaster's Key last year. Marion has been active with the Troop 12 Mothers' club and will assume chairmanship for the coming year. Both have participated for many years in Cub Scout Pack 3, with Eldon working on the Dad's Committee and Marion serving twice as Den Mother.

Both Eldon and Marion participated in Troop 12 money raising events when five boys of Troop 12 were preparing to attend the Boy Scout Jamboree at Valley Forge in 1964.

Eldon is a Past President of the Albany Junior Chamber of Commerce, was a recipient of the Chamber's 1959 Distinguished Service Award, and served as State Director. He served on the Civil Service Board for four years, and twice ran for Albany City Council.

The Wolfs have also been actively involved in Girl Scouting, with Marion serving as a Girl Scout Leader for 10 years, and working on the Berkeley-Albany Girl Scout Day Camps committee, of which she is presently chairman. She previously directed the Day Camp for two years, while Eldon provided transportation and worked on sites for the Vermont Girl Scout Round-up, in which 14 girls from Berkeley and Albany joined 8500 others from around the nation.

In other community affairs, Marion and Eldon served as Co-Presidents of the Albany High School Band Boosters; Eldon served four terms as President of the Berkeley Junior Bach Festival, while Marion has been Office-Coordinator of that organization for the past three years. Eldon served two terms as president of the Amphion Concert Foundation, which sponsored young adult musicians in the Bay Area.

The Wolfs have four children: Andrea, a music major in her senior year at California State College at Hayward; Galen an Eagle Scout, and freshman in music at the Hayward college; Debbie, a sophomore at Albany High, and Dana, an eighth grader at Albany High, who is now serving as Senior Patrol Leader for Troop 12.

Kenneth Galloway, of El Cerrito, was presented with the Distinguished Service award by William Akagi, who commended Ken for his dedicated service the past three years as District Chairman for the Camp Hermes District. His affiliations include Junior Chamber of Commerce work both local, National and JCs International. In other ceremonies during

the Recognition Dinner, training awards were presented to Den Mothers and Scouters for work in training sessions; and new officers were installed for the forthcoming year for Camp Hermes District. SEWING CIRCLE

Albany Eastern Star Sewing Circle will meet June 6 at 10:30 a.m. at the Albany Temple.

Drivers Needed for New Volunteers Bureau Club

"Bus Drivers' Extraordinary" might well be the name of a select new club at the Alameda County Volunteer Bureau, a United Crusade agency.

The roster of those who have taken the wheel to help out in the Volunteer Bureau's busing program is certainly not an ordinary one. It includes Berkeley City Councilman, Daniel Dewey; KGO radio and TV announcer, Anthony Morse; Berkeley-Albany Council PTA officer Mrs. H. P. Weber; former Wells Fargo Bank

vice president, John G. Hatfield; League of Women Voters president, Mrs. Dorothy Spitzer; Berkeley Unified School District former president, C. H. Wennerberg; Pacific School of Religion controller, Gerald Painter; Peralta Hospital in Oakland former chief, John A. Olson, and Orinda housewife, Mrs. Gail DeWitt.

But the Bureau is in desperate need of more drivers according to Barbara Morse, administrative assistant of the Agency, who stated that without more drivers

for their bus the summer recreation program for trainable mentally retarded children could be in jeopardy.

The Volunteer Bureau busing program began last April when the Berkeley branch was given a much needed bus by the Zonta Club of Berkeley, a business and professional women's service club. It is used for transporting those who have no other means of travel to school, recreation programs, clinics or rehabilitation centers.

Since the bus made its first run more than 50 persons have been transported on a weekly or twice-weekly basis. Among the health and welfare agencies being served are the American Cancer Society, the Berkeley Nursery

School of Retarded Children, Rick Hospital, Easter Seal Rehabilitation Center of Berkeley. There are many more in the Berkeley, Albany area who call upon the bus must stand in line for a volunteer driver, who pointed out, and the record with free time, a record and a wish to help up for Bus Drivers' Club by calling the Volunteer Bureau in Oakland at 860-0345.

TWO LOCAL MEN NAMED STATE TAX APPRAISERS

State Controller Houston I. Flourney has announced the appointment of four state inheritance tax appraisers, including two local men, for Alameda County. They are Timothy Abel of Piedmont, Hon. Chew of Oakland, and Sanford Bruce Seidmore of Berkeley.

This will increase the size of the panel to nine.

Flourney said that Abel, Chew, Daughtry and Seidmore had taken and passed the inheritance

Tax Appraiser qualifying examination Nov. 4, 1967. Flourney added that each understood that he would continue to press for reform legislation abolishing the appointive system of tax appraisers. Flourney said that each also had agreed to refrain from holding prominent partisan political positions while serving as appraiser.

Daughtry attended Decatur Boys High school and the Georgia School of Technology. He took courses from Washington Uni-

versity in St. Louis and the University of Toledo.

He served in the U.S. Army in 1942 and he obtained the rank of Major before receiving an honorable discharge in 1946. For three years before and three years after World War II, he was a sales engineer for Shell Oil Company, being employed in Cleveland, Ohio, St. Louis, Cincinnati and Toledo.

Since 1948 he has been self-employed in real estate.

Daughtry is a director and past president of the Berkeley Board of Realtors.

Active in civic affairs, he has been president of the Berkeley Chamber of Commerce from 1967-1968, a chapter chairman of the City of Berkeley Code Review and Study Committee, and a

member of Berkeley City Council's Blue Ribbon Committee.

The Daughtrys live at 664 Arlington Avenue, Berkeley.

Seidmore attended Proviso Township High school and the University of California at San Jose where he received his Bachelor of Arts in Social Sciences. He attended Northwestern Law school for a year and received his Law Degree from the University of Santa Clara Law School.

He served in the United States Marine Corps from 1942 until 1946, serving in Central Pacific combat operations on Saipan, Tinian and Okinawa.

From 1950 until 1951, he was the auditor of Industrial Indemnity Company in Sacramento. From 1951 until 1954 he was per-

sonnel manager and manager of government contracts for the Oliver Tire and Rubber Company in Oakland. Since 1954 he has conducted a general practice of law in Oakland.

Seidmore is a member of the Alameda County Bar Association and the American Bar Association. Since 1963 he has been a board member on the Selective Service Board No. 47.

The Seidmores live at 658 Colusa Avenue, Berkeley.

Two ways to prevent home burglaries while the family is away on vacation, according to Liberty Mutual Insurance Companies, are to tell the newsboy or milkman to stop deliveries and to ask the next-door neighbor to keep an eye on the house.

April Building Activity Was \$98,137

Permits in the amount of \$98,137 were issued by the Albany Department of Public Works and Engineer's office during April.

An apartment building at 708 Solano Avenue at permit cost of \$36,000, and another of the same size at 716 Stannage at permit cost of \$41,701, comprise the chief activities totaling \$77,701.

Other permits involve additions, alterations, etc.

The total for the first four months of 1968 is \$354,848, compared to the first four months of 1967, which was \$344,181.

SENIOR CITIZENS

846 Masonic Ave.

by Emma Claymore

The birthday party for the months of April and May was Thursday, May 23, with 13 honorees sitting at a special table, beautifully decorated with candles and flowers by Ivy Severy and Carolyn Matthew.

Each lady was given a carnation corsage and each man, a boutonniere.

In addition to the regular bag lunches, birthday cake, ice cream

and coffee were served. The birthday song was sung lustily by the entire group led by Clara Edlens with Marian Morey at the piano.

Everyone who went on the bus trip to the Pleasanton cheese factory reports a pleasant trip and availed themselves of the opportunity to lay in a supply of fresh cheese. All were positively lyrical about the lunch at International Kitchen.

Minnie Ingraham, trip chairman, is taking reservations for an old-fashioned picnic at Chabot Park Wednesday, June 26, with a free launch ride around the lake. Each one going is to pack his own lunch and take his own coffee.

Tena Gregory, who was operated on for appendicitis, is doing nicely and expects to be home soon. Joe Nicolette is doing nicely at his home after a recent siege in the hospital.

A vote of thanks goes to Dorothy Larimer, member of the Soroptimist club, who took time out to be at the Senior Center on Mother's Day and took pictures of the mothers and fathers there.

June 11 is the day set for the Father's Day party. A pot luck luncheon will be served at 1 p.m. The mothers will supply food.

A number of Seniors were to attend a meeting at Mosswood Park on June 3 to meet with Bay Area Senior Citizen committee and officials of AC Transit District, Municipal Railway of San Francisco and Bay Area Rapid Transit to request lower fares for senior during non-rush hours.

For information about the Center, call 526-1601.

Students Needed By County Volunteer Bureau

Student! Your time, talent and enthusiasm are desperately needed this summer. If you wait until vacation becomes a drag, it may be too late to find a suitable volunteer job for you.

Can you donate four hours or more each week? Then there are all sorts of needs you can fill. Counselors, typists, friendly visitors, health aides, tutors, game and swim instructors are all needed.

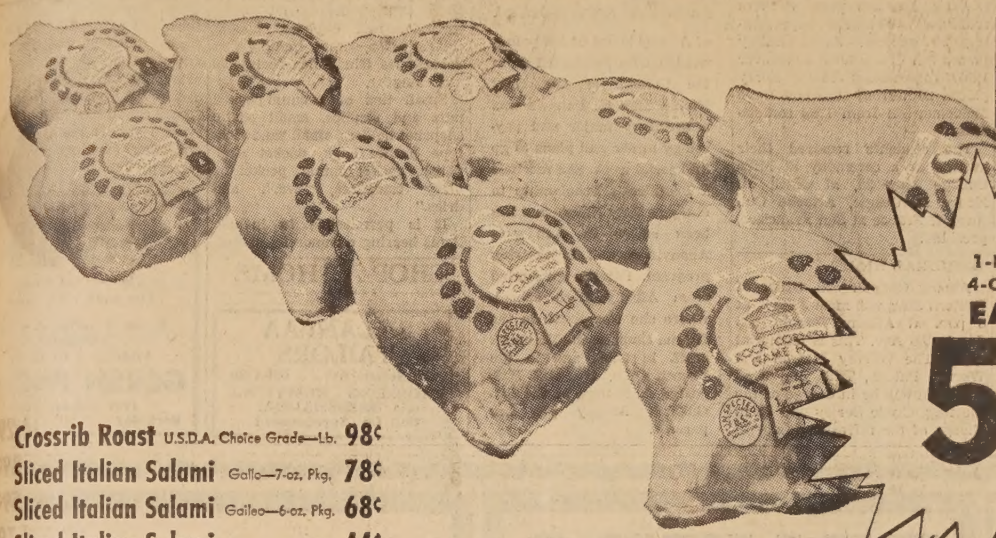

You can work with your contemporaries, with senior citizens, with young children or with adults. You can pursue interests you already have or try new activities.

What will you receive in return for your volunteer activity? You will meet new people, learn new skills and learn about your community. You may be such a good worker that you will earn a letter of approval from one of your supervisors that could help you greatly in seeking a job or a scholarship.

Today is the day to call the Volunteer Bureau (848-0345) and make an interview appointment so you can find the spot that will fit you best.

LARUAKA COUNCIL

Degree of Pochontas, Laruaka Council 46, will meet for a regular business session Thursday, June 6, at 8:15 p.m. at Foothill Blvd. Women's Club, 2535 Mason Street, Oakland. Roberta Greer Married in Iceland

Mrs. W. H. Kollmorgen Jr.

Roberta Greer, daughter of Mr. and Mrs. J. Delton Greer of Albany, became the bride of Wesley Howard Kollmorgen, Jr. May 24.

The ceremony was held at the Base Chapel, Keflavik Naval Air Station, Iceland. Pastor Sera Bjorn Jonsson officiated. Matron of Honor was Mrs. James Gay. Best Man was Larry D. Brown. James Gay gave the bride away.

The bride wore a short white lace wedding gown and a shoulder length veil held in place by lilies of the valley. The bride groom and the other male attendants wore their Air Force uniforms.

The bride is a 1967 graduate of Albany High School and has been attending Merritt College. The groom is a 1964 graduate of Harry Ellis High School, Richmond and is the son of Mrs. Vivian Kollmorgen of Richmond and Wesley Howard Kollmorgen of Youngstown, Ohio.

The bride groom is a Staff Sergeant in the United States Air Force and has been assigned to the Keflavik Naval Air Station in Iceland for the past year. He expects to be discharged from the Air Force in another month, at which time the young couple will return to this area to make their home. A reception is planned for them in July in Albany.

Slide Projector Given To Red Cross Group; Need for Screen

"Arm chair vacations" are in the plans for many elderly shut-ins this summer, thanks to the gift of a slide projector to the newly formed Red Cross Activity Volunteer service. Headed by Miss Constance Ardley, this group plans and assists with recreational activities for patients in local senior care homes and convalescent hospitals.

The Bell and Howell projector donated by Mrs. Ueville Lee was accompanied by color slides taken by the Lees on trips through England, Switzerland, the Yosemite and Grand Tetons. Several empty slide trays were included with the gift "in hopes that others will donate sets of slides to the collection," she said.

"These beautiful pictures will open a whole new world of enjoyment to our senior citizens; now all we need is a silvered screen to show them to best advantage," Miss Ardley says.

The purpose of the Activity Volunteers is to provide the elderly with personal attention and stimulation of interest which can mean the difference between lonely senility and happy old age. Under the direction of Adelle Lemon, Friendly Visitor Coordinator, the Red Cross trains volunteers to instruct patients in simple crafts, plan social activities and assist hospital staff with occupational therapy. Further information on the program is available from Mrs. Lemon at the Berkeley chapter.

Keiko is a student at Albany High school and the daughter of Mr. and Mrs. Jim Tamura of 1341 Watkins Street, Berkeley.

More than 500 girls from the state will be in attendance at Girls' State, and each must have the qualities of leadership potential and be in the upper third of their classes scholastically.

Membership Drive By Cerebral Palsy

A concerted effort to enroll grass-roots membership in the United Cerebral Palsy Association of Alameda County is currently underway, Alan Bingham, UCP president has announced.

Memberships are available for as little as \$5 a year, Bingham said.

The county-wide organization was organized primarily by parents of cerebral palsied children, with the aid of dedicated friends, to serve the unmet needs of the handicapped sons and daughters.

Since 1956, the Association has maintained a large treatment center for the cerebral palsied at 4500 Lincoln Ave., Oakland, the only one of its kind in the area.

"There is no other private, non-profit health agency in the Bay Area providing the percentage of local service that this organization does," Bingham declared.

"We do not duplicate services already available for the handicapped, but strive always to meet new and unmet needs."

Membership in Alameda County UCP entitles the donor to a voice in the organization, thus guiding it along the channels of service that are the best for handicapped neighbors and friends. The UCP president said that tax deductible checks for membership could be made out to the United Cerebral Palsy Association of Alameda County at 4500 Lincoln Ave., Oakland 94602.

MARTY WEBB has been elected chairman of the Traffic and Safety commission. Chrys van Eckhardt is vice chairman and Judith Cabral, secretary.

Girls' Stater

KEIKO TAMURA (center), daughter of Mr. and Mrs. Jim Tamura and a junior at Albany High school, has been selected Girls' State delegate to be sponsored by Albany American Legion auxiliary unit 292. Alternate is Lynn Nunes, Iola Hamilton, unit chairman for Girls' State, is at left. Auxiliary President Beverly Willis, right.

Things may ignite spontaneously under the right conditions. Some kind of vegetable or animal oil or combustible material—just enough air, but not too much—just enough moisture, but not too much—and off it goes.

In Massachusetts a cloth bag from a sugar-cured ham set fire to a rubbish barrel in which it was discarded. In New Jersey

a roll of burlap from a new rose bush started to burn on a cellar table.

In dozens of other places stacks of newspapers have been discovered burning upward from the center. Trash, in short, is the nesting place of spontaneous ignition—a fire breeder and a fire spreader as well.

Get rid of your trash. A clean home seldom burns.
